Re: M.D. Pa. Case No. 09-cv-12

Dear Mr. Davis,

We have your motion seeking a temporary restraining order or a preliminary injunction, and an affidavit in support thereof. The Motion is being opposed with the filing of a brief dated May 25, 2010. Your Motion is denied for the following reasons.

Upon receipt of your motion, we had our probation office make an inquiry with the institution. Your case manager has assured the court that this matter is being investigated and the investigation results will be reported to the court. He also advises that you are in restricted housing--not so much for your safety but because of a disciplinary decision. This suggests to us that you are as much of a problem as those who you claim are threatening to assault you.

I hope all will be well.

Sincerely,

Edwin M. Kosik  
United States District Judge
